

BENEFITS

United Currency Exchange Borderless Prepaid Card™ is a VISA Reloadable Prepaid Card. The primary purpose or use of United Currency Exchange VISA Reloadable Prepaid Card is to convert your Australian Dollar (AUD) to over **150 foreign currencies** with NO International Transaction Fee & NO Foreign Currency Conversion Fee when you travel overseas or when you make purchases online.

Convenience: You can purchase our Card from our website. Load/reload your Card from your internet banking. Change your PIN, check your statement and balance, and block your United Currency Exchange Borderless Prepaid Card™ via our web application. You can use United Currency Exchange Borderless Prepaid Card™ to convert your Australian Dollar (AUD) to over **150 foreign currencies** when you are:

- shopping online;
- travelling overseas;
- going to your local grocery store and
- paying your vendors or suppliers overseas.

You can use your United Currency Exchange Borderless Prepaid Card™ anywhere in the world, including within Australia, which accepts VISA Prepaid Card.

User Friendly Platform: You can access to our On-line Card Ordering Platform and our Website Applications 24/7 easily.

Security and Safety: Your United Currency Exchange Borderless Prepaid Card™ is not connected with your Personal Bank Account. Your funds are held securely in a Trust Account with an Australian Financial Institution & VISA.

You can use United Currency Exchange Borderless Prepaid Card™ online, domestically and overseas, without worrying that your personal bank account can be compromised.

VISA Wholesale/Interbank Exchange Rates: United Currency Exchange Borderless Prepaid Card™ is using VISA wholesale currency exchange rates with NO International Foreign Exchange Fee and NO Foreign Currency Conversion Fee.

Corporate/Business Usage: United Currency Exchange Borderless Prepaid Card™ is invaluable for your business. With our best foreign currency exchange rates, you can be sure that you are getting great savings when you pay your vendors / suppliers overseas. United Currency Exchange Borderless Prepaid Card™ also helps your business to control your business expenditure and spending by limiting the amount of which your employee can spend on each United Currency Exchange Borderless Prepaid Card™.

WARNING: United Currency Exchange Borderless Prepaid Card™ is **NOT** a Credit Card, hence, you must ensure that you always have "**AVAILABLE BALANCE**" on your Card at all times.
